

# Unplugged Publishing: Skirt Fighter

## Only You Can Clean Up The City

Crime is running rampant. Gangs and thugs roam the city robbing and terrifying the populace.

The police can't stop them. Now one woman has made it her mission to make the streets safe, no matter how many broken bodies and broken heels she has to leave in the gutters.

## Welcome to Skirtfighter

Skirtfighter is a classic side scroller fighting game with a twist. Instead of the classic

muscle-bound male lead, in Skirtfighter the hero is a heroine. Using punches, kicks, and even her purse, players beat up muggers and criminals and battle crime bosses to make the city safe again.

The game is an instant hit with everyone who tries it. Multiple levels ensure extended playability.

New versions of the game with improved gameplay will continue to be released to build on the brand.
